

# Annual Meeting of the New Champions 2014

Tianjin, People's Republic of China 10 - 12 September 2014

## How to embed the World Economic Forum webcast session videos in your website

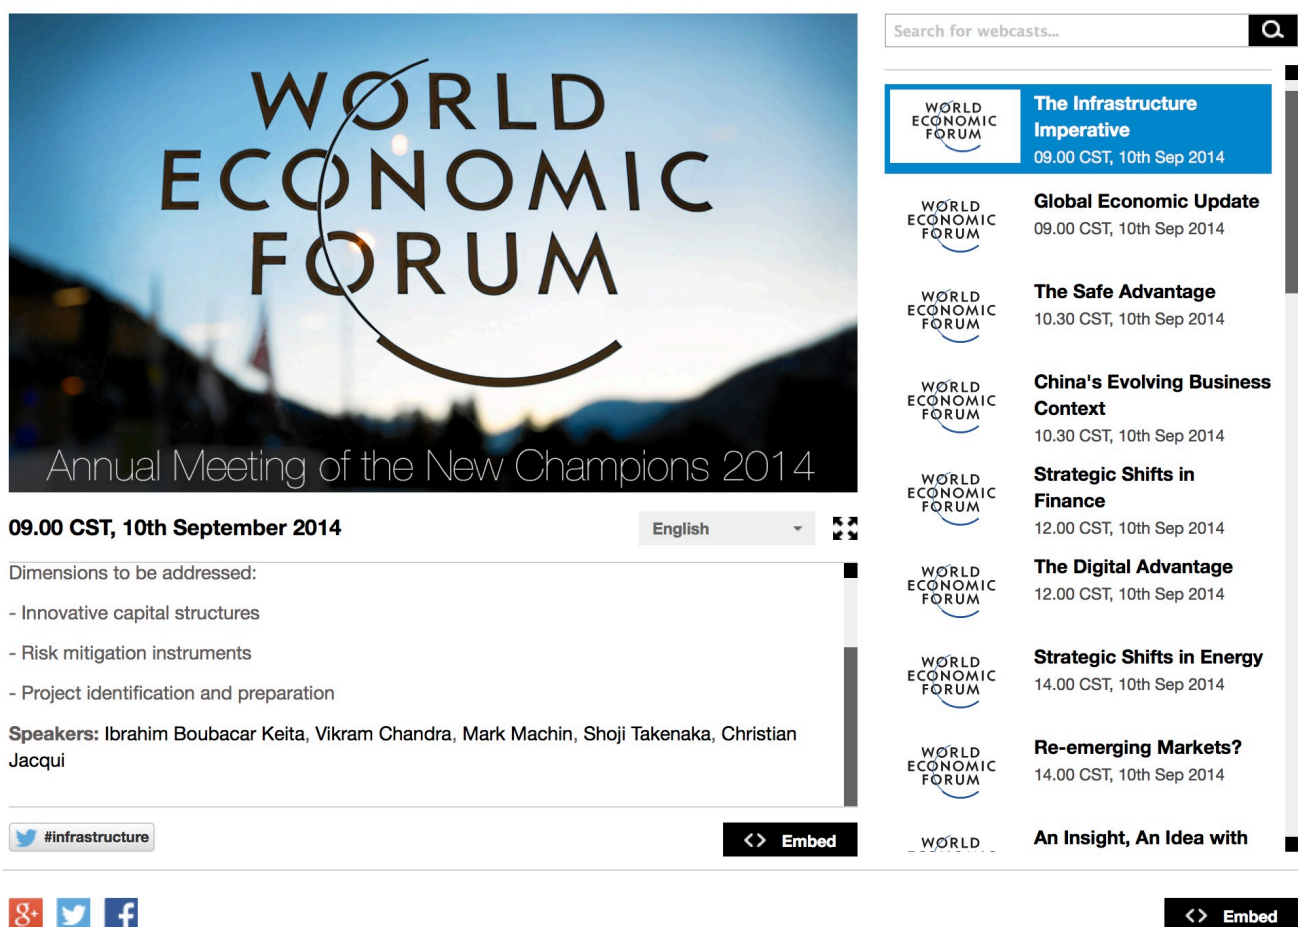

### Option 1: Full programme

You can add the full broadcast programme to your website and the videos will start playing automatically once the meeting starts.

Just copy and paste the following code in your website:

```
<iframe src="https://webcasts.weforum.org/widget/1/china2014eng?p=1&pi=1&ms=1" width="970px" height="696px" frameborder="0" scrolling="no"></iframe>
```

This code will add a section to your website that will look like this:

The screenshot displays the World Economic Forum webcast interface. At the top, there is a search bar labeled "Search for webcasts...". Below it, a list of sessions is shown, each with the World Economic Forum logo, the session title, and the start time. The sessions listed are:

- The Infrastructure Imperative** (09.00 CST, 10th Sep 2014)
- Global Economic Update** (09.00 CST, 10th Sep 2014)
- The Safe Advantage** (10.30 CST, 10th Sep 2014)
- China's Evolving Business Context** (10.30 CST, 10th Sep 2014)
- Strategic Shifts in Finance** (12.00 CST, 10th Sep 2014)
- The Digital Advantage** (12.00 CST, 10th Sep 2014)
- Strategic Shifts in Energy** (14.00 CST, 10th Sep 2014)
- Re-emerging Markets?** (14.00 CST, 10th Sep 2014)
- An Insight, An Idea with**

The main content area shows a large video player with the World Economic Forum logo and the text "Annual Meeting of the New Champions 2014". Below the video player, the session title "The Infrastructure Imperative" is displayed, along with the start time "09.00 CST, 10th September 2014" and a language dropdown menu set to "English". A list of dimensions to be addressed is shown:

- Innovative capital structures
- Risk mitigation instruments
- Project identification and preparation

The speakers listed are Ibrahim Boubacar Keita, Vikram Chandra, Mark Machin, Shoji Takenaka, and Christian Jacqui. At the bottom, there is a social media link for "#infrastructure" and an "Embed" button.

## Option 2: Individual videos per session

By using the embed codes listed in the table at the end of this document, you can embed any of the individual sessions being broadcast directly to your website. For instance to embed the session “**The Infrastructure Imperative**” just add the following code:

```
<iframe src="https://webcasts.weforum.org/widget/1/china2014eng?p=1&pi=1&a=59759" width="970px" height="822px" frameborder="0" scrolling="no"></iframe>
```

This code will add an element to your website that will look like this:

WORLD  
ECONOMIC  
FORUM

Annual Meeting of the New Champions 2014

09.00 CST, 10th September 2014 English

Dimensions to be addressed:

- Innovative capital structures
- Risk mitigation instruments
- Project identification and preparation

**Speakers:** Ibrahim Boubacar Keita, Vikram Chandra, Mark Machin, Shoji Takenaka, Christian Jacqui

#infrastructure <> Embed

**IMPORTANT:** The videos will start playing automatically once the sessions starts. Once the session finishes, it will take a few minutes for the session to be available on demand. The same code will play the video on demand once it is ready. You can leave it on your page or you can add the same code to your on demand library.
